

Questions from the Trail

A Chapel in the Woods activity from **Papa and Baylor Go Fishing**

Baylor and Papa shared more than just a day at the river—they shared kindness, wisdom, and a few quiet surprises. These trail questions help you think about the story and what God might be teaching you too.

1. What did Baylor learn from Papa on their adventure?
2. What made the day feel special—even without catching a fish?
3. Have you ever shared something that made someone smile?
4. What's something little that felt like a big gift to you?
5. What do you think God wants us to remember when we go outside?
